

### Implementation

```
function bool simpleDecision(int a){  
    if(a<=4){  
        return true;  
    }  
    if(a>=5){  
        return false;  
    }  
}
```

### Test Suite

```
TEST_CASE_0{  
    bool result = simpleDecision(4);  
    TEST_EQUAL(result,true);  
}  
TEST_CASE_1{  
    bool result = simpleDecision(5);  
    TEST_EQUAL(result,false);  
}
```
